RE: U.S. Patent No.: 6,216,114
Title: Method and System for Controlling the Initiation and
Duration of Overtime Intervals in Electronic Auctions
Inventors: Marc Alaia, et al.
Our Reference No. 046700-5004-01

Dear Mr. Lewis:

I am writing regarding my facsimiles sent to you on October 27, 2003, July 15, 2003 and September 12, 2003 in which I forwarded you a copy of a Request for Certificate of Correction filed on **September 17, 2001** in connection with the above-referenced matter for purposes of obtaining an issued original copy of the same.

I recently received an issued Certificate of Correction, which is a duplicate copy of the August 6, 2002 Certificate already received three times, however, it was not the Certificate I requested. I have filed numerous Status Inquiries and sent three letters directly to you and have not gotten a satisfactory response from anyone at the U.S. Patent and Trademark Office.

Accordingly, I am again forwarding you a copy of the Request for Certificate of Correction originally filed on **September 17, 2001** of which I am requesting an original issued Certificate of Correction.

Mr. Omega Lewis

Please send a copy of the requested Certificate of Correction via facsimile at (215) 963-5001 before sending the official Certificate of Correction so that I can review that the document you plan to send is the correct Certificate.

Sincerely,

Kim R. Jessum
